WHEN YOU ARE GONE.

Then sun will rise and set the same,
Men will work and strive for fame,
Forgotten soon will be your name,
When you are gone.

Flowers will blossom in the spring,
And silvery wood notes loudly ring,
As feathered warblers sweetly sing,
When you are gone.

Friends will grieve above your bier,
And on your grave will drop a tear,
You'll be forgotten in a year,
When you are gone.

Above you ever and anon,
Will pass the long years one by one,
Remorseless time sweep on and on,
When you are gone.

And millions yet will follow thee,
Gray age, youth and infancy,
Will join you in Eternity,
When you are gone.

The cradle, coffin and the grave,
Will hold alike the king and slave,
The proud, the humble and the brave,
When you are gone.

Age will mourn, and youth will laugh,
One-half will give the other half,
A tear, a tomb, an epitaph,
When you are gone.

Interviews with our Merchants as to yesterday's business elicited these laconic expressions:

Lee Hives—Rushed; too busy to talk, or tell our joy over a great, busy day. The bit of business life is the Board of Trade.

HOWLING SUCCESS

An Old-Time County Court Day, With Immense Crowd.

STOCK SALES—GOOD PRICES.

Yesterday was an example of what united action will accomplish.

It was a triumph for the Board of Trade and Printer's Ink, and the result was attained at a merely nominal cost.

By arrangement of the Board, the ferryboat carried foot passengers from and to Ohio free of charge, and all bus lines brought visitors at half fare.

These inducements, coupled with the absence of tollgates, induced people to come by scores; the streets were crowded, the stores were taxed to their utmost capacity, the stores were full—and a broad smile spread over the faces of all you met.

It is safe to say that more people were in Maysville yesterday than have been seen here on any County Court Day within the past five years.

As to the stock sales, they exceeded the most sanguine expectations.

Limestone street was a veritable "trading ring."

There was cattle from Ohio, sheep and cows and horses and hogs from all the country round about, with buggies and implements to complete the display.

Best of all, prices ranged high, and they were paid most willingly by eager buyers.

It is impossible to compute the aggregate benefit to our city, but there is not a merchant but who will say that his till showed a marked increase over any previous Court Day for years past.

The good work has been started.

Now let it be kept up; for one successful effort will no more assure future successes than a hearty breakfast will avoid the necessity of the dinner and supper that follow.

It is keeping everlastingly at anything that wins.

Colonel W. H. Fremont's balloon ascended from the corner of Second and Sutton at 2:30 o'clock, and the colored aeronaut, Mr. Harrison Slater, landed in rear of the Opera-house, safe and sound.

Mason County Democrats have declared Mr. John W. Alexander their nominee for Representative.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & Co., Toledo, O.

Grand Carnival.

The entertainment to be at the Opera-house Friday night, April 15th, has been rightly named, for it will be a combination of some of the best athletic and musical artists of the central states. The prices of admission are the most reasonable of the season, and the Carnival will, without a doubt, be one of the most elevating and entertaining.

It is to be socially the leading affair of the season. It is hoped that many of the ladies will appear in evening toilet, assume have expressed themselves in favor of making the Carnival the social event of the passing season. We make this announcement that all may unite in making the occasion a success.

Tickets are selling well, and it is believed the Carnival will be greeted by a large audience.

The Commercial Tribune says of Miss Marjorie Henry, the vocalist who is to appear for the first time in Maysville:

"Miss Henry has a remarkable mezzo-soprano voice of dramatic quality, being noted for its range and beautiful full, round tones. She sings with musical intelligence and much artistic expression. Miss Henry received with special distinction honors at the College of Music; also among many contestants won the Springer gold medal."

THE New Suits!

An instructive showing. If you haven't seen it you have no idea of the strides which have been made in ready-to-wear garments. Every suit has the mark of beauty and style. The tailor-made gown is essentially an American production. As we said recently, New York gives lessons to Paris and London in this branch of costume. This season our designers not only surpassed their rivals, they have surpassed themselves. Allow us to show you—it is no trouble, whether you buy or not. \$8.50 to \$20.

EMBROIDERIES.

The kind you begin by liking but do not fully appreciate until you have washed them a few times. They're the kind that stand tubbing. They don't get stringy and mangy. That's because they are made on a hand machine not rolled off by steam. Nevertheless—

THE BEE HIVE! New Carpets and Rugs.

The carpenters have now finished the work of enlarging our carpet room. Our stocks of new Carpets and Rugs are so large that we needed much additional space to handle them. We believe that we now have a Carpet Department that would do credit to any metropolitan store. From the cheapest Hemp Carpet at 30c. to the best of Axminsters at 90c. there is not a roll but will prove of exceptional value for the price asked. We are showing a larger and better assortment of Ingrains and Brussels than ever before. You'll find here the very choicest of patterns to select from, and you have the further advantage of seeing just how the carpet is going to look on your floor. We have also an immense stock of Smyrna and Moquette Rugs and magnificent Art Squares. We know that if you will let us supply your carpet wants we will save you money.

Some Rare Shirt Waist Bargains.

We carried over from last season about ten dozen Shirt Waists. Rather than mix them with the new stock we have placed 'em on a separate counter and marked prices less than cost. The 49c. and 59c. kind are now 29c. Last year's 75c. price has been marked down to 39c. Waists that were lowly priced at \$1 and \$1.25 are now 59c. There are also a few that were \$2.50 new 99c. These Waists will sell quickly, come before the best are picked over.
